Traffic Penalties

We Understand and Solve the most common issues faced :

- **Lack of human resources with specific training**, above all in Legal matters.
- **Lack of material resources**, especially regarding the usage of appropriate software for penalty proceedings.
- Issues with timeframes that lead penalty proceedings to **expire and become unenforceable**.
- **Traffic Department demands with new technologies**.
- Problems arising from **challenges under public authority litigation**.
- Existence of a **penalty procedure offering citizens absolute guarantees**.

Success story

- Over recent years, SCI has managed **849,500 penalty notices**, representing **125,500,000 €** of revenue for the Local Authorities of: **Bilbao; Vigo; Toledo; Santiago de Compostela; Ciudad Real; Guadalajara; Cuenca; Talavera de la Reina; Castellón; Puertollano....**
- The management results obtained in each municipality over the last full financial year before the task was entrusted to SCI ("before"), and during the first full year after SCI had been contracted ("SCI"). Some examples:

MUNICIPIO	ANTES DE SCI INGRESOS	CON SCI INGRESOS
CIUDAD REAL	765,000 €	1,160,000 €
MUNICIPALITY	BEFORE SCI REVENUE	WITH SCI REVENUE
SANTIAGO C.	468,000 €	1,052,000 €
MUNICIPALITY	BEFORE SCI REVENUE	WITH SCI REVENUE
TOLEDO	430,000 €	1,063,000 €
MUNICIPALITY	BEFORE SCI REVENUE	WITH SCI REVENUE
GUADALAJARA	85,000 €	455,000 €
